

Edison United Travel Soccer

**“My child loves to play soccer and wishes they could play more”
“My child has the desire to become a higher skilled soccer player”**

-- If you can say either of these things, you ought to consider whether 2010 should be the time for your child to move on to playing *Travel Soccer*.

-- Travel Soccer offers many advantages for the dedicated, serious or talented player to significantly improve their soccer skills and appreciation for “the beautiful game.”

Travel Soccer = Highest level of soccer available to the town youth player, after the recreational and inter-county environment within the club. Opportunities beyond town travel available to players who excel such as ODP, Academy Teams, Super-Y and other leagues.
